<sup>1</sup> Additional expenses incurred by the Bank in connection with establishing of the owners of financial instruments, with tax payments and payments of coupon interests and dividends, are paid by Customer (see section "Third party depository fee schedule").

<sup>2</sup> The minimum commission is not deducted if there are no securities in the Financial Instruments Account / Individual Holding Account of Financial Instruments. Fees for holding financial instruments may be deducted in certain cases on the basis of the nominal value of the security.

<sup>3</sup> The commission fee does not apply to the subordinated bonds of JSC "Regional Investment Bank", which custody are free of charge.

<sup>4</sup> Additional factual expenses for execution of the Customer's orders are paid by Customer separately (see section "Third party depository fee schedule").

<sup>5</sup> Free of charge between accounts of one Customer.

<sup>6</sup> Transfer value is financial instrument market value for the date of transfer. If there is no market value available, commission for financial instrument transfer is calculated based on financial instrument nominal value.

<sup>7</sup> These fees are applied by the Nasdaq CSD and Clearstream Banking, Luxembourg. In case fees applied by service providers are modified, the Bank reserves the right to apply these modified fees.

<sup>8</sup> Commission fee includes VAT.

## Examples of calculations of total expenses associated with the transaction with the selected financial instrument, as well as the impact of expenses on the total return on investment.

These examples are purely informative and must be studied by the Customer prior to adopting a decision on performance of the transaction. Expenses shown below do not include tax payments to be made in compliance with statutory requirements upon receiving return on investment in the financial instrument.

### Promissory notes

	Bank's commission fee according to the price list	Expenses depending on the transaction amount	
		50 000 USD	250 000 USD
Fees associated with the transaction			
one-time fee for purchase/sale	0.08%, min. 40 USD	40.00 USD	200.00 USD
Fees associated with maintenance of the product			
fee for storage of the financial instrument	0.24% per annum	120.00 USD	600.00 USD
third-party fee <sup>1</sup>	-	30.00 USD	30.00 USD
<b>Total expenses</b>		190.00 USD	830.00 USD

### Impact of expenses, associated with the transaction and maintenance of the financial instrument, on return <sup>2,3</sup>

Change in the price of the financial instrument	Investment amount, USD	Gross profit/losses, USD	Total expenses, USD <sup>4</sup>	Profit/losses before payment of taxes, USD	Return on investment before payment of taxes
+5%	50 000	2 500	230	2 270	4.54%
	250 000	12 500	1 030	11 470	4.59%
0%	50 000	-	230	- 230	-0.46%
	250 000	-	1 030	- 1 030	-0.41%
-5%	50 000	- 2 500	230	- 2 730	-5.46%
	250 000	- 12 500	1 030	- 13 530	-5.41%

<sup>1</sup> Additional depository's fee for the processing of corporate events: redemption of a bond; payment of coupon interest, deduction of taxes. The fee is withheld in euro (in the example, the fee is calculated in U.S. dollars at the rate 1 EUR=1.20 USD). For detailed possible fees, see Section "Third party depository fee schedule".

<sup>2</sup> All calculations provided in this table are based on an assumption that the investment period is 1 year.

<sup>3</sup> This example provides for closing investment in 1 year; hence, the Customer pays the fee for both purchase and sale of the financial instrument.
